Kitty Kicker Craft

To make a kitty kicker for your cat you will need:

- 🐾 Leggings or sweat pants
- 🐾 Scissors
- 🐾 Polyfill, batting or cloth
- 🐾 Catnip

Instructions: With a grown-up's permission & help, cut the two legs off of an old pair of cotton pants. Tie a knot at the end of each leg. Stuff each leg with polyfill, batting or cloth. Sprinkle in a little catnip. Tie the other end of each leg, and give it to your cat(s) to enjoy! Be sure there are no loose strings, buttons, or other potential choking hazards.
