WAYS TO HELP**

One is never too young to help people in need. Sometimes all people need is a little kindness, a smile and some encouragement and that is a very important thing to remember. If you would like to do more than that and share your time, energy and creativity to join us in our vision of helping to keep pets with their families, you'll find some ideas below. You may even come up with some ideas of your own. If you have ideas you'd like to share, please email us at familypetadvocates@gmail.com.

Thank you for helping!

COLLECT COINS FOR THE CAUSE

Decorate an empty jar (cleaned and dried) with a lid and drop in some pocket change or coins you've found in your travels (making sure they do not belong to others). When you have collected enough, donate it to help families in need to keep their pets or use it to purchase supplies for their pets.

SET UP A PET SUPPLY DRIVE

Check with your school or activity group (Scouts, 4-H, Religious Organizations, etc.) to see if you could set up a pet supply collection for needy families. See our wish list on our website for information on the most needed items.

CELEBRATE WITH STYLE

Celebrate your birthday or other special occasion by asking for gifts for needy pets rather than gifts for yourself. You'll make a big difference in the life a family that is struggling to feed their beloved animals.

STAND UP FOR A CAUSE

With your parent's permission, set up a lemonade or vegetable stand or even a small yard sale to benefit Family Pet Advocates' pets and their people. Be sure to check that this type of event is allowed in your neighborhood.
